The screenshot shows the 'Create a new Delicious account' page. The browser's address bar displays 'https://delicious.com/join#'. The page has a light gray header with the title 'Create a new Delicious account.' Below this, the form is divided into two columns. The left column contains four input fields: 'USERNAME', 'EMAIL ADDRESS', 'FULL NAME' (with the placeholder text 'Example: Lauren Ipsum'), and 'PASSWORD'. Below the password field is a checkbox labeled 'Check Password'. The right column is titled 'UPLOAD A PICTURE' and features a gray silhouette icon, a 'Choose File' button, and the text 'No file chosen'. Below the upload section is a reCAPTCHA widget with the words 'Dhrlæ' and 'full' in a stylized font. At the bottom of the form is a blue button labeled 'Create my account'. Two red arrows originate from the text in Step 5: one points to the 'EMAIL ADDRESS' field, and the other points to the 'Create my account' button. The footer of the page includes links for 'Help', 'Tools', 'Blog', 'About', and 'Legal'.

Step 6: Go to How to use Delicious to know how to use it.
